Work/Volunteer Experience

Bellis Music Camp - *Counselor*

2021-2023

- Led classes and rehearsals, prepared engaging activities, inspired and motivated campers, and helped them improve their musical skills.

Codely - *Teacher*

2021-2022

- Taught the basics of coding such as functions and variables in Scratch/Java. Developed engaging lesson plans, designed helpful assignments, and managed classroom instruction.

Giving Bach - *Member*

2021-2024

- Performed at elementary schools, retirement homes, and concerts to spread music throughout the community.

Dragon Flicks - *Stage Manager/Audio Engineer*

2022-2024

- Coordinated lighting, audio, scheduling, and other aspects of our school performances to ensure a smooth production.

Dark Sky Percussion - *Drumset Player*

2024-2026

- Performed highly technical, advanced repertoire as the drumset player for an independent world-class indoor percussion ensemble in a highly competitive environment.

Pacifica High School - *Front Ensemble Instructor and Audio Technician*

2025-present

- Educated students on a variety of instruments including drumset, mallet percussion, and electronics. Wrote custom music and managed the band's live audio system.

Santiago High School - *Front Ensemble Instructor, now Caption Head*

2025-present

- Taught a wide range of percussion and electronic instruments. Promoted to caption head to manage all logistics, communication, and leadership.
